from the D C Kolar

Letter No 1480/423 of 5/1/1943, requests ratification of the appointment of an ochn Mukadd in Mulabagal town and to the continuance of the post permanently and to confirm the present incumbent

1)

i) The proposals of the D C are -

That the post of an ochn Mukadd has been chosen by him in three months from 1/4/38 in the Municipality of Mulabagal, ^{which} has been continued till 31/12/1942, without proper sanction, by the Municipal Council, may be ratified,

That the post be made permanent absolutely necessary for the Municipality

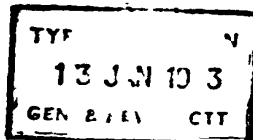

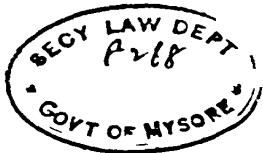

2)

3 That the appointment of one B Channappaiah, a duly qualified local candidate made in the vacancy pending the post being filled up by advertisement, be noted to be confirmed, as a special case, the ~~omission~~ ^{omission} to have advertised the post being condoned

Re It is not understood why the President of the Municipality did not take action to obtain views from higher authorities to confirm the appointment, in such a long time in spite of the being pointed out by the D C on more than one occasion. To say that it is a technical ~~omission~~ ^{omission}, as reported by the D C is not perhaps convincing and requires further clarification

12 According to the rules, the post of Octroi Mutsaddi on a pay of Rs 15-1-20 should be advertised fixing the minimum qualification as a pass in the L S examination or a certificate of having studied in the V Form of a recognised high school. It is not known what the qualification of B C Chennakrishnappa is but he is stated to be a 'non-passed' candidate. However in the circumstances of the case I have no objection to the irregularity being condoned and Chennakrishnappa being confirmed in the post.

407-2
Office of the Deputy Commissioner,
Kolar District, Kolar
Dated the 5th January 1943

Jul 3-42-22

I have the honour to state that the post of an Octroi Mutsaddi was sanctioned to the Municipal Council, Mulbagal for a period of three months from 1-4-1938, by this office, with a direction that a report should be submitted on or before 1-6-1938, if continuance of the post was found necessary, so that sanction of Government could be obtained. It was also ordered that pending advertisement a duly qualified and locally available non-Brahmin candidate might be appointed. (re B C Chennakrishnappa was appointed as Mutsaddi. But no action was taken by the Municipal Council for the continuance of the post after the expiry of the period for which it was sanctioned.

It was observed during the inspection of the Municipal Office on 14-5-1940 that action must be taken for the continuance of the post or otherwise. The subject was considered by the Council at their meeting held on 31-5-40 and they resolved to obtain sanction of Government to make the post permanent. Even then no further action was taken by the Municipality. It was only now that the records have been received along with a copy of the resolution of the Council, to make the post permanent and to confirm the present incumbent B C Chennakrishnappa.

It was irregular to have continued the post of Mutsaddi, beyond three months without obtaining sanction of competent authority. But since the appointment is absolutely necessary and it is only a technical omission, I request you to obtain (1) the ratification of Government for the action by the Town Municipal Council, Mulbagal, in having continued the post of Octroi Mutsaddi from 1-7-1938 to 31-12-42 and (2) sanction for making the post permanent from 1-1-43. As the incumbent Chennakrishnappa belongs to the backward community of Kanigars and it would be hard up on him if he is asked to go now, I further request that the omission to have the vacancy advertised in 1938 condoned, and his confirmation in the post sanctioned as a special case.

I have the honour to be,
Sir,
your most obedient servant
